Dear Mr. Ambassador:

In connection with our telephone conversation today, I enclose herewith the minutes of the meeting with the President on the St. Lawrence project held at the White House on April 14. The following changes are suggested by us in your draft record and have been given effect in the draft which I am enclosing to your

(1) Elimination of the last two sentences in paragraph 2, page 1.

(2) Change in language in first sentence of first paragraph on page 2.

(3) Elimination of first sentence in paragraph 6 on page 2. Substitution of words "The President" for "He" in second sentence of same paragraph.

(4) Elimination of words "of the New York Power Authority" in 7th paragraph on page 2 and substitution therefor of words "of a U. S. entity".

(5) 2nd line on page 3, replacement of word "when" by word "if".

(6) At the end of the 3rd sentence of the first full paragraph on page 3, eliminate the words "when the period ended". In the same sentence insert between the words "follow" and "if" the words "in due course".

A record in this form would be satisfactory to us and I should be happy to have your observations upon these suggested changes at your convenience.

Very sincerely yours,

David Bruce
